Cardiff Partnership Development Session
Enhancing Partnership Working

Tuesday 7\textsuperscript{th} May 2013
1.00pm – 4.00pm
Meeting Room D, City Hall

Aim of the Programme

The aim of this workshop is to provide the opportunity to review the effectiveness of partnership working with the aim of developing a common understanding of and commitment to priority areas; thereby maximising the opportunities that working in partnership can create.

The specific objectives of the programme are: -

1. To explore priority areas and agree mechanisms for the effective use of business intelligence to ensure that outcomes are demonstrable and achieved

2. Commit to the behavioural changes required to demonstrate visible leadership and accountability

3. Consider how each layer seamlessly integrates to the next level to ensure change occurs at the operational level and agree mechanism for managing blocks

4. Recognise and be willing to challenge politically or operationally sensitive issues including the management of competing agendas where stakeholder priority areas may be in conflict

Attendees

Members of the Leadership Group, Cardiff Partnership Board and Operational Leads will be invited to attend.
