Cyd Cymru / Wales Together

Charter

A Collective Energy switching Scheme for Wales
Cyd Cymru Charter

The purpose of the Charter is to set out the simple steps required for making Cyd Cymru a successful collaboration across Wales and how your organisation can get involved in the scheme. Cyd Cymru is a collective energy switching scheme being jointly led by the City of Cardiff and the Vale of Glamorgan councils. Collective energy switching allows participants to come together to receive a better deal on their energy bills. By switching energy together last year Cyd Cymru helped households across Wales to save on average £185 per year on their energy bills.

Cyd Cymru offers all the people of Wales the opportunity to get involved, including those of pre-payment meters. By signing this Charter you will be given every support to promote collective energy switching in your area, in return for a few basic pledges.

By signing this charter you pledge to:

- Promote collective energy switching through Cyd Cymru in your area
- Take action to help alleviate fuel poverty which currently affects 30% of Welsh households. Traditionally low income households do not regularly switch energy supplier and this is a perfect opportunity to help fuel poor households struggling with high energy bills
- Help households to improve their energy use and increase their knowledge of how to save energy in the home
- Promote the scheme via local press and media, partner networks and engagement events to local residents to encourage registration.
- Share your local marketing plans (or list of any planned activity) with the Cyd Cymru Project team
- Share the proceeds of the Community Fund allocated to your local authority area locally as agreed with the Cyd Cymru Project Board
- Provide a quote in support of the scheme along with your logo

In return - what support will you get after joining Cyd Cymru?

We will provide your organisation with
- Material and support to promote the scheme (listed below)
- Access to a community fund
Who can get involved with Cyd Cymru?

Participating organisations such as Local Authorities, Housing Associations and local customer support groups can all support the promotion of Cyd Cymru. Participating organisations will be expected to ensure that the project is promoted successfully to local residents. In particular, we would expect to see the effective use of local press and media, partner networks and engagement events to encourage registration. Each participating organisation will be expected to share a local marketing plan (or list of planned activity) that will be shared with the Cyd Cymru Project team, simply for visibility and to manage demand for registration.

These can be tailored to suit your local need, including adding your own logo, although we ask that you retain the Cyd Cymru brand and core messages. Once you join Cyd Cymru a link will be emailed to you that allows you to access these resources. The designs are supplied as high resolution PDFs which can be imported into design programs, including Illustrator, In Design and Quark that will allow you to insert your logo and have commercially printed.

The registration tool for Cyd Cymru is publicly available. Each participating organisation will be featured on the website to demonstrate their endorsement of the scheme.

We can't do it alone. We need your support. We need partner organisations to help us raise awareness and promote the scheme to make collective energy switching an opportunity for everyone.

We, ............NAME OF ORGANISATION.............., agree to be part of the Cyd Cymru collective switching scheme.

As supporters of Cyd Cymru we are part of an energy collective which offers participants the opportunity to receive a better deal on their energy bill.

The more people that register, the better the deal is likely to be. We therefore commit to promoting Cyd Cymru in our area, making use of our marketing channels and partnership networks as resources allow.

For every person who switches energy suppliers through Cyd Cymru a commission will be paid by the energy supplier to a Community Fund. We agree that this fund will be shared with each local authority on a pro rata basis and spent locally as agreed by the Cyd Cymru Project Board.

Signed: ..........ORGANISATION REPRESENTATIVE................

Working together for cheaper energy, more sustainable futures and to tackle fuel poverty.
