Cardiff Partnership Programme Summary Highlight Report:
PSB 24th May 2016 (Quarter 4 2015/16)

Programme: Vulnerable Children & Families (Q4)

Featured Milestone VCF.VF.4
Reshaping Services for Disabled Children
The project brief for the Reshaping Services for Disabled Children was presented to the Local Safeguarding Children Board in February with agreement to commence with the Integrated Project Board Membership who will agree priority areas for development during the course of the project. The Integrated Board Membership has met in February, March and April and priority outcomes aligned to funding opportunities with a collaborative approach between children and adult services.

Next reporting period
Child Friendly Cities VCF.VF.1
Following a presentation to the City of Cardiff Council Vulnerable Children & Families Board regarding the Child Friendly Cities project, a consultation to adopt the process in Cardiff has been scheduled. The City of Cardiff Director of Education and Lifelong Learning has been appointed to lead the project as a partnership initiative.

Programme: Safer & Cohesive Communities (Q4)

Featured Milestone SCC.CC.2
Community Cohesion Regional Co-ordinator
Continuation of funding has been secured for the Community Cohesion Regional Co-ordinator post during 2016/17. Regional co-ordinators have developed one year action plans which include; a new emphasis on cohesion requirements under the Well-being of Future Generations Act; a wider scope of work with Welsh Government Anti-Poverty programs such as Families First and Communities First and increased engagement with communities affected by the Prevent agenda.

Next Reporting Period
Female-only Hostel SCC.SSC.1
City of Cardiff Council have scheduled a meeting with YMCA, the Wallich and Safer Wales to discuss the feasibility of developing a Big Lottery

Featured Risk Night-time Economy
The Safer & Cohesive Communities Programme Board held on 31.3.16 was advised that the Community and Adult Services Scrutiny Committee commissioned a task group to produce a report on how best to reduce crime and disorder in the Night Time Economy (NTE) in Cardiff in a time of reducing public and third sector resources.

Further Information:
The March '16 report makes a series of recommendations on; communication, coordination and cooperation between all Community Safety agencies; identifying secure and sustainable funding; working with Cardiff BID; alcohol consumption; use
application for a female-only hostel in Cardiff. Meeting scheduled for early May 2016.

Programme: Thriving & Prosperous Economy (Q3 & Q4)

Featured Milestone
Hubs
- St Mellons phase 1 extension completed.
- Refurbishment work at Fairwater in progress and due to complete in May.
- Contractor appointed for Llandaff North Hub and due to commence work in May.
- Works at STAR Hub continuing to programme, with completion scheduled for September.
- Proposed Hub at Llanishen approved by Cabinet following consultation.
- Positive feedback received on services delivered at Rumney Partnership Hub.

Next Reporting Period
BID
Preparation for BID ballot at end of June.

Programme: Urban Environment (Q3 & Q4)

Featured Milestone
Local Development Plan
On the 28th January 2016 City of Cardiff Council formally adopted the LDP.

Solar and Renewable Energy
New legislation regarding solar and renewable energy published in December 2015 which involve significant reductions in financial support. This potentially detrimental position has been factored into existing and future schemes in mitigation

Next Reporting Period
Update on energy prospectus including Radyr Weir commissioning.

Featured Risk
Climate Change and energy security
Un-preparedness to the effects of climate change due to lack of future proofing for key (social and civil) infrastructure and business development, and inability to secure consistent energy supply due to rising energy costs and insecurity of supply.

Further Information
The City of Cardiff Council has signed up to the Compact of Mayors in addition to the existing commitment to the Covenant of Mayors. Work is underway with the Compact and Covenant staff to agree a combined method of emissions reporting so to maximise maximum benefits from both commitments.
Programme: Older People (Q2 & Q3)

Featured Milestone

One Point of Contact

One Point of Contact for Cardiff Independent Living Services (ILS) went live in Quarter 3 with a priority number for partners in Health. In Quarter 3, 54% of First Time Service user outcomes were achieved via the telephony Contact Officer. This is an increase of 22% on the Quarter 2 average. 46% of first time service users were transferred to Adult Social Care. This is a reduction of 22% on the Quarter 2 average demonstrating the effectiveness of the new way of working towards the preventative agenda.

Next Reporting Period

An end of year evaluation of each of the Integrated Health and Social Care (IHSC) Partnership services will be carried out based upon pre-existing criteria. Recommendations will be made in respect of continuation of existing services for consideration by the new Regional Partnership Board in April, 2016.

Featured Risk

None identified pending year end evaluation report.

Programme: City and South (Q4)

Featured Milestone

Peer Led Needle Exchange

A list of initiatives has been produced in order to raise awareness of the impact of discarded needles and help to reduce the number of needles discarded. There are four initiatives currently ongoing planned to be implemented by the end of May '16:

- The provision of a flat screen TV in needle exchanges playing a short service user developed film /slides to highlight the importance of proper disposal of used needles.
- The provision of a logo and website information page developed by service users also to be displayed on t-shirts which can be worn by Huggard Centre staff and service user community champions.
- The development of a Service User Champion Programme aimed at both users of needle exchanges and members of the community.

Agenda items for consideration:

None

Risks:

Resource issues for Council and partner agencies have impacted on attendance at Neighbourhood Partnership meetings, events and activities.
Programme: Cardiff East (Q4)

Featured Milestone:
Neighbourhood Partnership Fund 15/16
26 applications were received for the Cardiff East Neighbourhood Partnership Fund. Eleven projects covering a variety of Cardiff East priorities were successful and received financial support. E.g. Llanrumney 50+ Speakers Club, Old Rumney Library project and Shine Girl Programme, St Mellons.

Agenda items for consideration:
None

Risks:
Resource issues for Council and partner agencies have impacted on attendance at Neighbourhood Partnership meetings, events and activities.

Programme: Cardiff North (Q4)

Featured Milestone
Work to Improve Community Safety and Improve the Perception of Crime

Throughout the South Wales force area, officers and staff from partner organisations, local authorities, Trading Standards, Natural Resources Wales, Department of Work and Pensions, HMRC, Driver and Vehicle Standards Agency together with specialist departments within South Wales Police have been carrying out a range of activities including commercial vehicle checks, street visits and calling on banks and post offices.

Llanedeyrn & Llanishen Neighbourhood Policing Team were very proactive throughout this week of action:-

- Llanedeyrn & Llanishen Neighbourhood Policing Team took part in a multi-agency operation to tackle incidents of Rogue Traders in Cardiff. Officers joined forces with a number of different agencies including Trading standards, City of Cardiff Council Licensing and Department of Work and Pensions to carry out checks on vehicles and their drivers travelling through the East of the City.
- Community Access Points took place within Llanishen and the UHW. Each was focussed on the topic of Rogue Trading and officers distributed literature and crime prevention advice. Over 1000 leaflets were delivered to houses in the area.
- The neighbourhood beat manager conducted a Rogue Trader event at the Old School, Lisvane providing information on Rogue Trading and crime prevention.
- UHW Policing Team conducted a Mini Rogue Trader operation at the UHW – all vans/tippers were stopped and questioned as to why they were on site.
- PCSOs based at UHW along with 6 Cardiff University volunteers visited 17 wards at the UHW and spoke to numerous individuals due to be released from hospital about the dangers of Rogue Traders and how to prevent becoming a victim.

Agenda items for consideration:
None

Risks:
Resource issues for Council and partner agencies have impacted on attendance at Neighbourhood Partnership meetings, events and activities.
Programme: Cardiff South-East (Q4)

Featured Milestone: Substance / Alcohol Misuse

People Around Here were commissioned by Cardiff & Vale Substance Misuse Area Planning Board to carry out a survey of residents of Cardiff South East in relation to issues surrounding alcohol and substance misuse. Alcohol and cannabis are the most prominent substances with tobacco, heroin and cocaine also being used by a number of the population. Violence is seen as the greatest harm, particularly in relation to alcohol. On a wider scale, people are concerned by the societal impact of substance use.

As a result of survey results, Cardiff South East has now formed the Substance Misuse Action Group which addresses issues raised from the report and implement targeted work within the South East area around substance and alcohol misuse. Neighbourhood Partnership funding has assisted in the production of the Cannabis scratch card which will be used as an educational and engagement tool used by various partners to engage with the community. Dual diagnosis training was also provided to public facing partners to help them identify the differences between mental health issues and substance/alcohol misuse.

Programme: Cardiff South-West Neighbourhood (Q4)

Featured Milestone Social Prescribing

On 4th March, partners from BRG Communities First, Public Health, St David’s Court Surgery and the Neighbourhood Partnership met and agreed to initiate a second Social Prescribing trial planned for April 2016 in the Riverside area. This will be informed by a great deal by the first trial of social prescribing in Caerau Lane Surgery and encourage new links between surgery staff, Communities First and other partner organisations in the area.

Programme: Cardiff West Neighbourhood (Q4)

Featured Milestone Increase the Dementia Supportive Communities Initiative Across Cardiff West

Six Dementia Friends sessions for key partners and community members were held by Cardiff West Dementia Champions, creating nearly 100 more Dementia Friends. Work included Tongwynlais Community members attending a Dementia Friends Awareness session to look at developing further Dementia Friendly support and activities within the village. Hub staff from across Cardiff also completed Dementia Friends sessions. During January 2016 1st Whitchurch Beavers, Scouts, Young Leaders and Leaders participated in a Dementia Friends Awareness and Action Planning session as part of the “A Million Hands” Community Impact Award badge.
