What Matters to You?

Did you know that Cardiff has a 10 Year strategy that aims to make Cardiff the most liveable city in Europe?

Cardiff’s What Matters strategy, aims to improve the quality of life of communities and citizens by making a difference to help ensure that:

- People in Cardiff are healthy;
- People in Cardiff have a clean, attractive and sustainable environment;
- People in Cardiff are safe and feel safe;
- Cardiff has a thriving and prosperous economy;
- People in Cardiff achieve their full potential;
- Cardiff is a great place to live, work and play; and
- Cardiff is a fair, just and inclusive society.

The work to deliver the strategy is being taken forward by the Cardiff Partnership, which includes; the City of Cardiff Council, South Wales Police, Cardiff and Vale University Health Board, South Wales Fire and Rescue Service, Natural Resources Wales, Probation Service, Cardiff Third Sector Council and the Welsh Government. All partners are doing their bit in working towards achieving these 7 outcomes as we know that we can’t make this happen on our own!

To make sure we are addressing the issues which matter most to the community we are reviewing the Strategy and want to get everyone’s views about what everyone thinks about Cardiff, what problems need to be tackled and importantly, how can we make things better!

To start the conversation, we’re undertaking a series of interviews with Leaders from across the city’s key organisations, and we would like to know what YOU would like us to ask them.

First up is Chief Superintendent Belinda Davies, of South Wales Police in Cardiff! We’ll be focussing on how we make sure that ‘People in Cardiff are safe and feel safe’ and want to hear about what matters to you. If you have a question that you would like Belinda to answer please let us know.

Questions need to be submitted by Friday 10th July to whatmatters@cardiff.gov.uk.

Check back for information on the next interview and how you can have your say.
